

In addition, you will have to find, properly greet and perform a task for at LEAST 4 of our crew before we can move you on to meeting our 'Great Tawney Princess' (our Leader) who will bestow upon you title of Rogue!

Here they are. Each one you need to QUIETLY approach and greet them in our secret language, called 'canting'. The phrase is: "Good lightmans. How dost thou buff?" That means 'Good day. How are you doing?' in our secret language.

**SHARPER:** He dresses very colorful and because he is also a 'Faulkner'-a performer-you can find him near the Circus. Greet him properly and play a game of 'thimblerrigging' with him. You won't win, but you WILL learn a valuable lesson!

**RAT CATCHER:** Shabbily dressed, he wanders the grounds with a couple of four legged friends. Greet him properly, he has a special task that must be performed. We don't know what it is, and neither does he!

**RESURRECTIONIST:** You can find him around Ye Coffin and Ewe society. Look for a shabbily dressed man with long stringy hair and one eye. Oh, he smells bad too-but he's harmless. Greet him properly, there is a soldier he has his eye on and needs some info about!

**IRISH TOYLE:** She's the 'Doxy Wap' or you would say the wife of the Sharper. You will find her dressed similar to him and because she is his 'Bo Peep' (lookout) she will be close by wherever he is. Greet her properly, she has a package that needs to go to the lady fence at the Stalling Ken (that's where \*ahem\* BORROWED goods are taken for 'resale'). You will find it a the sign of 'Virginia's Scarves'. BUT BEWARE! While performing this task, avoid the proprietor of 96 District Storehouse who believes these parcels are his!

**THE STURDY BEGGAR:** Find her sitting near the fence over near the Hand-and-Pocket shops (food vendors). She'll be wearing ragged clothing and a black hat. She also has her 'paupers badge' on-look for the big red pin with a P on it. Greet her properly and help her with a small task that will get her enough scratch (money) to but a meal.

When you have completed the correct amount of tasks set for you and have all of your signatures, make your way to our 'Stop Hole Abbey'. That's our rendezvous point we all meet up at. You will find it at the sign of 'R McKinney 1777'. Greet the 'Great Tawney Princess' there properly. If you have fulfilled the tasks set, then congratulations! She will welcome you into our Canting Crew and reward you with your very own Canting Oath signed by all of us as well as some special 'goodies' from each of us! Good luck, good 'canting and we hope, at the end of the day to be able to say to you: WELCOME TO THE CREW!
